

At FBCWD, we take our responsibility to care for children very seriously. We have guidelines that are intended to facilitate a safe and nurturing environment in which children can grow in relationship with Jesus Christ and with others.

We have several resources that provide a general overview of procedures and guidelines for our church volunteers and staff members. These resources along with training and guidance by our safety committee will provide a safe environment for children; protecting children, you, and our mission at FBCWD.

Thank you for your placing your trust in our ministry. Also, I would like to thank all the volunteers supporting our goal of caring for and nurturing children and students at FBCWD, and welcome those that would like to take the next step to help, volunteer and lead. Please use the resources listed here to submit an application to help in a particular ministry, or to begin the appropriate background screening.

Sincerely,
Pastor Bruce Scott
